

SPONSOR A STUDENT

Help a student follow their dreams of working with animals, and gain a loyal employee! The Academy of Pet Careers has a win-win program to make it happen.

HOW IT WORKS

Step 1: Team up with an amazing individual looking to take their career to the next level.

Step 2: Select a Sponsorship Tier and the APC will match your contribution, allowing students to attend for up to 60% off!

Step 3: Student enrolls and you get a rock star teammate in just 2-5 months.

FREQUENTLY ASKED QUESTIONS

WHY SPONSOR A STUDENT?

We know first hand how difficult it can be to hire qualified pet professionals. By sponsoring a student, you can focus on hiring for personality and let us handle their training.

WHAT GUARANTEES DO WE GET?

In most cases, sponsored students will sign a contract, guaranteeing their employment upon graduation. Employers may also require the student to pay back their tuition over time. The APC has contract templates to help navigate the process.

WHAT DOES SPONSORSHIP COVER?

Employer sponsorships cover a percentage of the total program tuition. Not included in the sponsorship are application fee ($50), equipment, or housing.

HOW MUCH ARE THE PROGRAMS?

The APC offers in-person programs for dog training, pet grooming, and vet assisting. We also offer an online dog training program. Sponsorships can range anywhere from $500 to $7,500, depending on the program.

CAN THE EMPLOYEE WORK WHILE IN SCHOOL?

Most of our programs are in-person and full-time, Monday-Friday. If you are local, employees may be able to work nights and weekends while attending school. The APC offers a 1-year Online Dog Training Program that might be a better fit for full-time employees.
